## ENGINEERING DEPARTMENT

## BUILDINGS DIVISION.

*Notice dated 29th September 1944.*

Notice is hereby given that sealed tenders duly signed by the contractor will be received at the Office of the Executive Engineer, Buildings Division, up to 3 P.M. on 23rd October 1944, for the work of Raising the Compound wall of the North-Western corners of Lalbagh, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1944.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, at Bangalore, between the hours of 12 NOON to 6 P.M.

3. Tenders should be submitted along with the printed notification forms which may be obtained from the Executive Engineer on payment of four annas per copy and should be submitted on percentage basis at so much per cent above or below the estimated rates.

4. Each tender must be accompanied by a treasury challan for Rs. 190, as earnest money and be superscribed "Tender for the work of raising the compound wall of North-Western corners of Lalbagh, Bangalore". In default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities,
